

CALLING ALL VOLUNTEERS

???? FALL BOOK SALE Sept 22nd – Sept 27th ????

We missed seeing you during the Covid hiatus, but things are looking better now and we are trying to plan a Fall Book sale!.

The time frame we are allowed to use the Community Room will be much shorter, meaning less time to collect, sort and set up. Now we will be collecting donations and setting them on shelves and tables as we receive them, starting September 14th.

Set up	Wed	Sept 14
Actual sale	Thurs	Sept 22 - Sun Sept 25
Post sale	Mon	Sept 26
Clean up/Packing	Tues	September 27

Basically, we need cashiers during the sale and volunteers with cars who can drive some boxes of leftovers to Green Drop in North White Plains (especially needed).

Are you still willing to help? We need a critical mass of volunteers to **respond by June 15th** to make this possibility a reality. This is not an iron-clad commitment on your part and we know that things may change for you between now and September. But we are trying to gauge interest as well as availability before we commit to having a sale.

Our deadline to reserve the Community Room is the end of June. Then our next step will be to get the word out about the changes in donations and the actual sale dates. So the sooner we get feedback, the better.

Thanks for your previous help and we look forward to your volunteering again in September!
