The North 60 at Grasslands: Reprise

Neil DeLuca

The North 60 is that portion of the County's reservation at Grasslands that was set aside years ago for development of value to the county. The comprehensive development proposed by the Fareri Corp. under its 99 year lease includes biotech labs, housing, retail and social amenities and is now before the Town of Mt. Pleasant for approval. Come learn what's happened in the last 18 months!

Please join us for luncheon with Neil at the Unique Affair restaurant at the Pleasantville Country Club following the meeting

*We are grateful to the Friends of the Mt. Pleasant Public Library for their co-sponsorship of our lecture series.
